**About the Size of It:
A Circus of the Big and Small**

Come explore this thing called human scale. This multi-ring extravaganza of the massive and the miniscule is sure to astonish you. Behold enormous vegetables, discover nanotechnology, interact with giant puppets, marvel at a gargantuan original sculpture created on-site, and be a part of our revival of a 300-year-old art form—the flea circus.

Meet the artists! Enjoy the goodies! Don't miss it!

Thursday, October 5, 7–9 p.m.

Light refreshments. Reservations required.
